

Oregon State University

International Scholarships

Oregon State University and INTO OSU are now offering several new, exciting scholarships. Students who excel academically may be rewarded for their hard work with scholarships throughout their OSU career.

From starting a Pathway program to progressing into an undergraduate or graduate OSU degree program, high-achieving students have the potential to earn scholarships throughout their academic journey at OSU.

That could add up to more than \$40,000 in the student's first two years. Hard work pays off! These are competitive scholarships, so apply early based on instructions for each. We hope to meet you soon.
